

# Amarr® Vista VI1000

## Contemporary Aluminum Full View Garage Doors

20' x 10' Amarr Vista with Clear Anodize frame and Obscure glass

**It's the perfect reflection of your style.** The modern industrial look goes residential with the introduction of the Amarr Vista collection. From the outside, these sleek doors perfectly mirror the clean lines and glass expanses of your home's contemporary design. Inside, they transform your garage into a bright and inviting room.

9' x 7' Amarr Vista with Copper Anodize frame and Clear glass

### PANEL CONFIGURATION

8' & 9' WIDE – 2 Panels

10' WIDE – 3 Panels

16' WIDE – 4 Panels

18' WIDE – 5 Panels

Construction

**An Amarr Vista VI1000 full view door offers strength and beauty to match the stylish design of your home.**

- 2" thick extruded commercial-grade aluminum frame provides durability, low maintenance and corrosion resistance
- Tongue and groove section joint with new leading edge gasket seal and the bottom weather seal improve air and water infiltration performance.
- ClearView Aluminum Strut System does not restrict viewing area and adds strength and durability to doors 16' to 24' wide
- Wind load options to meet local building codes
- Attractive, modern exterior handles (2) included
- Available in 1" width increments up to 24'
